TO OUR TOWN — DONORA

We dedicate this book, *The Dragon*, to Donora, the community of our youth where we attend our fine schools, live in our beloved family groups, and become a part of that vital life around us called a "community."

We are prompted to such a dedication out of pride in the strength of "our town", and in the plans for its future progress. We have learned in our school society that problems arise constantly in any group action, and that such problems are not to be deplored as such but are to be met with strength, wisdom, understanding, and a healthy attitude toward other viewpoints. To these efforts on the part of our community, we join our own youthful zest and eagerness. We know that soon we shall be taking our adult places in our community, and we wish God-speed to all the people of our community in their efforts to make Donora an even better community in which to live.

For these reasons, then, we are happy to dedicate the 1961 *The Dragon* to our community.

Principal's Message

For the past three years you, who leave us, have worked and studied together in excellent high school fellowship. Now you shall pass to another phase of education and life. Thus, I am summoned to write a message of friendship and farewell. The friendship message is an easy one, but a farewell is often tinged with sadness. The separation of friends is one of the sad features of life, because it seems that we always are leaving something behind. So you, the Class of 1961, will leave us, and venture into higher education, work, armed forces, or some other adventures in life. You may be assured that we wish you well. We hope that you will always remember our school's motto, "Enter To Learn; Go Forth To Serve."

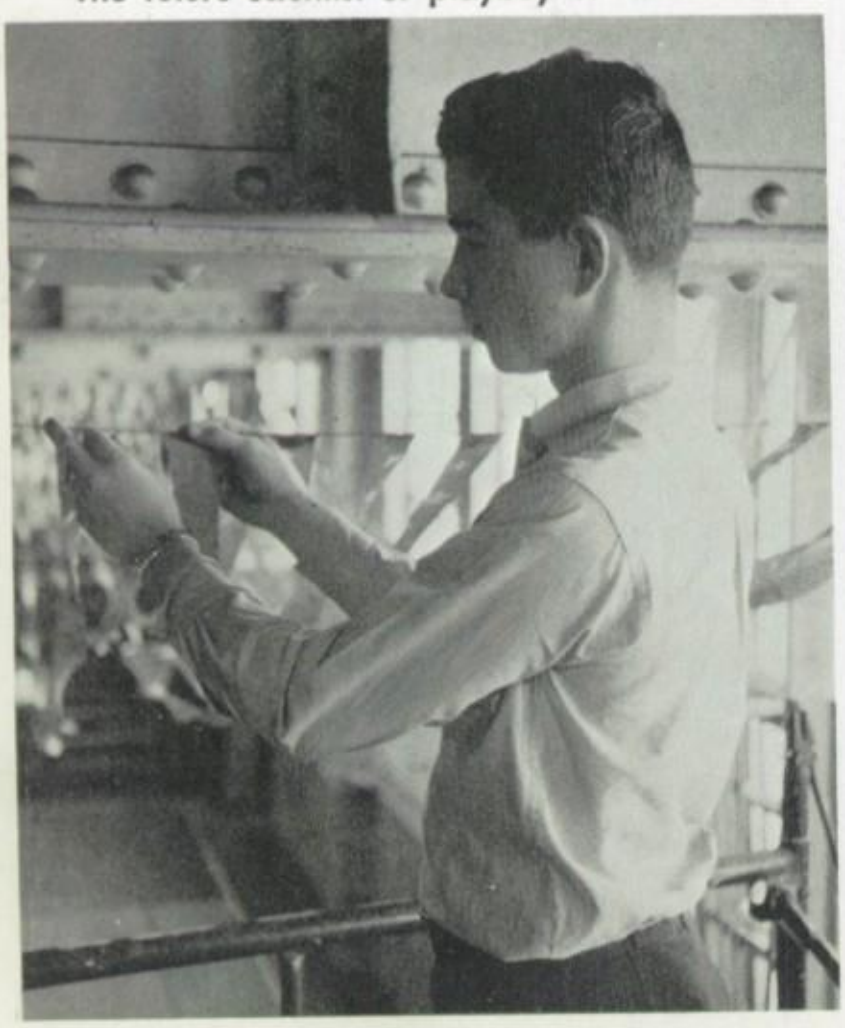
The typical senior is a thinking man.

It's gotta be HOT ! ! !

The future scientist or playboy of America.



Miss Cunningham, what's a verb?

Anybody sez Charleroi can beat Donora has us to contend with.

Mr. Grilli, what's the formula for doughnuts?

Seniors need rest after a long day of study.

SENIORS NOW . . .

Show those Colgate smiles.

AND SENIORS FOREVER

The seniors won again!

We laughed 'til we cried at the senior party.

Who knows how to start the record player?

Okay, wise guy, watch it!

Snowbound. Get out the dog sleds.

DONORA NINE COPS SECTION 16 TITLE

Starting the season in an exhibition game with West Newton High School, the defending Section 16 champions went down to defeat, 3-2, but Coach Gidick kept Chuck Giuffrida's arm away from the pitcher's mound.

From that time on, however, the Dragons rolled on with victory after victory, stopping only once to lose a league contest to California, 6-7, and then rolling over the rest of the opponents on the schedule.

The season total, including exhibition games, shows a 9-2 record, and in league play the record marked an 8-1 record.

The 1960 champions walloped Waynesburg in the first playoff in WPIAL sectional warfare, and then went down to defeat against Munhall, 1-2, to end the second straight year as Section 16 baseball champions.

1960 SEASON SUMMARY

Starting the season on August 18, Head Coach James K. Russell, with his assistants John P. Clark, Rudolph Andabaker and William Pykosh met an eager squad of 44 boys. Before the season ended, 10 boys had dropped out of the activity.

The 1960 grid team ended the season at Monessen with a 3-6-1 record, the best record since 1957. The season also produced ten players on the Big Six Valley Conference All-Valley squad. The ten players were: Fred Murdock and David Sloan, both guards who made the all star second team, and the following boys who were selected on the honorable mention list: Tom Bedford, Ray Janney, Joe Russell, Dick Falkevitz, Jim Rosborough, Dale Diaz, Willie Moon, and Bob Johns.

The Dragons were a young team, with 24 underclassmen and ten seniors appearing on the roster at the end of the year. With so many young players returning, the Donora gridders have high hopes for a fine team next year. The Dragons had an excellent season, showing spirit and fight, and where the games were lost, the score was always close and in every game the Dragons showed themselves equal to the campaign.

VALENTINE DAY and CLOSING GAMES

. . . so it is we go to press with the yearbook in February, and face our spring calendar with lifted hearts: the Junior-Senior Prom, the Senior Girls' Tea, Senior Class Banquet, Class Day, Baccalaureate and Commencement, and somewhere in these later spring days, the distribution of this yearbook, The Dragon.
